

Where we are

2 Hudson Quay
Windward Way
Middlesbrough
TS2 1QG

Based on the Riverside in Middlesbrough, we're easy to reach via road or rail.

In line with our green agenda we would encourage you to make your way to the Fabrick office on foot, bicycle, by bus or by rail. If you are travelling by car please consider car sharing. Parking spaces are limited so please use the overflow car park on The Halyard. If you need a disabled parking space, head into the Fabrick car park. The spaces are in front of the building. Please ask at reception for the code to leave the car park.

Directions by road:

Heading from either direction along the A66, leave at the Middlehaven/North Ormesby/Riverside Stadium junction. Head for Middlehaven and over the roundabout onto Shepherdson Way. Turn left at the second roundabout onto The Halyard. The entrance to the overflow car park is on the left; please buzz the reception for access. On leaving the car park the barrier will automatically lift.
